## **2004-2005 President's Message**

**Summer is almost over and it is time for another year of ASHRAE. This year promises to be a to be a good one with interesting speakers and some fun social events. I encourage you to attend the monthly meetings held on the second Tuesday of every month at the Saskatoon Construction Association.**

**Last year was a banner year for the Saskatoon Chapter with membership and participation improving greatly. The year ended with our chapter hosting the Chapters Regional Conference. Many thanks to all those who volunteered their time and a special thanks to Jonathan French whose hard work as CRC general chair ensured that the Saskatoon conference was one of the most successful in many years.**

**This year I would like to begin an ASHRAE library of published material that will be available to all local members. Each year there will be a few more publications added and in time this will be a valuable resource for our chapter members.**

**The first meeting of the year is September 14<sup>th</sup>. I hope to see you there.**

**Mike Osborn**

**2004-2005 President**

# Membership News

**Previous Meeting Attendance:** An attendance report for May, which was our CRC/Local Chapter Golf Tournament, is not available. Many thanks to those who attended the April 2004 Local Chapter meeting and Tour of the Canadian Light Source Building. Those in attendance were,

Jeff Frie	Bob Cowan	Jack Scott	Dan Thompson	Dalys Buck

**2004 CRC - Saskatoon:** I attended the 2004 CRC as Local Chapter Membership Promotion Chair. This CRC was well attended by our chapter and all chapters in Region XI. I participated in the Membership Promotion and Student Activities workshops with other chapter members within our Region. At the awards banquet I was fortunate enough to be presented with the TOPS Award for "Recognition of Outstanding Performance in Achieving Society Membership Goals".

**Rosters:** Saskatoon Chapter 2003-2004 rosters will be updated for the current year. Information for any updates will be downloaded from Society's database. Ensure your contact information is current and make any revision necessary. An updated roster should be available by November.

**New Members:** I would like to welcome to new members to our Local Chapter. These people have joined or transferred their membership in the last couple of months.

Jason Praski	New Member
Kirk Nagus	Student Transfer
Ryan MacGillivray	Student Transfer
Dean Bilodeau	New Member
Kevin Thurston	New Member

**Member Delinquency:** Currently we have 30 members who have not submitted their ASHRAE membership dues. Of that 30, 26 are delinquent by only 1 month. This is a friendly reminder to check you inbox for your renewal notice. The other 4 members can expect a more personal contact.

**ASHRAE News Release:** As mentioned in previous newsletters, ASHRAE has been sending out a number of News releases, which are available for inclusion in local chapter newsletters. The number of news releases has made it cumbersome to include in our Local Chapter Newsletter. I am now considering uploading these news releases to our web page and including a link within our newsletter. Currently the server which hosts our web page is undergoing some revision and not available. I will keep you informed on any new developments.

**Web Site:** A new home for the Saskatoon Chapter of ASHRAE is located at the following address:  
<http://www.saskatoon.ashraechapters.org> (Currently not available)
